^aPayer requirements regarding use of the 10-digit or 11-digit NDC code may vary. The 11-digit NDC code provided above has been converted from the 10-digit 5-4-1 format by inserting a zero in the appropriate section to align with Centers for Medicare & Medicaid Services (CMS) billing requirements.

How to get started with GIVLAARI:

1. Together with your patient, complete the GIVLAARI Start Form, available at www.AlnylamAssist.com. Start Forms can be submitted electronically or printed and faxed to **1-833-256-2747**.
2. Within 2 business days, an Alnylam Case Manager will provide you and your patient with a comprehensive benefit verification. An Alnylam Case Manager is available to answer any questions.
3. Alnylam Assist® will send your patient's GIVLAARI prescription to a specialty pharmacy and/or provide you information about specialty distributors. An Alnylam Assist® Case Manager will work with you to route the order to the appropriate distribution partner. For some patients, home administration by a healthcare professional may also be an option depending on their insurance.
