^aPayer requirements regarding use of the 10-digit or 11-digit NDC code may vary. The 11-digit NDC code provided above has been converted from the 10-digit 5-4-1 format by inserting a zero at the appropriate section to align with Centers for Medicare & Medicaid Services (CMS) billing requirements.

How to get started with AMVUTTRA:

1. Together with your patient, complete the AMVUTTRA Start Form, available at www.AlnylamAssist.com. Start Forms can be submitted electronically, completed via DocuSign, or printed and faxed to **1-833-256-2747**
2. Within 2 business days, your patient's Alnylam Case Manager will provide you and your patient a comprehensive benefit verification
3. Alnylam Assist[™] will send your patient's AMVUTTRA prescription to a specialty pharmacy and/or provide you with information about specialty distributors. For some patients, home administration by a healthcare professional may also be an option depending on their insurance
